

GOVERNMENT

FUEL TO ACCRA, GHANA

LOCATION:
Accra, Ghana

OPERATOR:
Government

CLIENT:
Government

SCOPE:
Fuel Supply Logistics

GHANA WEST AFRICA

Fluor, a long-standing client of PacRim Constructors required a partner adept at achieving results in challenging, austere environments to supply and deliver fuel to Camp Burma in Accra Ghana. Pacific Rim Constructors' knowledge of operating in Africa was able to quickly identify trusted suppliers and implement logistics for Fluor to operate. Our approach to client requirements encompassing local content allows us to service clients' needs globally around the world.

0

HSE Incidents

CHALLENGES

- Strict timelines
- Fuel quality

PRC SOLUTION

Flexible responsive partners allowed PRC to react quickly. Fuel was drawn directly from the refinery cutting out corruption and fuel tampering. This provided cost savings and quality control measures.

CLIENT BENEFIT

- Fast response times
- Minimal delays
- Increased local content
- Cost savings
- Assurance of stringent quality control measures
